

A LITTLE BIT ABOUT ME

Devin Todd Ramsey

REALTOR ®

PSA, e-PRO, AHWD, C2EX, CREN, ABR

Hi, I'm Devin, born and raised in Madison County and a graduate of Berea Community High School (Go Pirates!) I've been a realtor since 2019 and absolutely love helping clients achieve their real estate goals—whether it's maximizing sellers' profits or guiding first-time homebuyers through the process. Before transitioning into the real estate world, I worked as an engineering technician at Hitachi Automotive Systems in Berea for almost 5 years. Giving back to my community is a huge part of who I am, which is why I'm deeply involved — I currently serve as a board member for Mike's Kids Education Foundation, and I'm a recipient of the 2020 Richmond Register Unsung Hero Award. I'm also a graduate of Leadership Madison County and honored to be named a Top 25 Leadership Madison County award winner. My latest (and coolest) accomplishment was being the youngest President thus far to serve at the Berea Chamber of Commerce. I love being part of this amazing community and making a positive impact whenever I can!
